God's Love and Grace

There is a fountain filled with blood
drawn from Emmanuel's veins
and sinners plunged beneath that flood
lose all their guilty stains

The dying thief rejoiced to see
that fountain in his day
and there may I, though sinful too
wash all my sins away

Dear dying Lamb, Thy precious blood
shall never lose its power
'till all the ransomed Church of God
be saved, to sin no more

And since by faith I saw the stream
Thy flowing wounds supply
redeeming love has been my theme
and shall be till I die

You are an Ambassador

We work the field of souls
Together you and I
Some fields are blooming now
Other fields are dry
We are not the same
But differences aside
We will work the field of souls
Together you and I

One is off to foreign soil
To work a distant land
Another anchors close to home
To hold a neighbor's hand
Who has served the Father most
And who has labored best
That life devoted to our God
That devotion will be blessed

One shouts the gospel in the streets
For everyone to hear
He's bold to everyone he meets
The word is loud and clear
Another cries alone and prays
In silence on her knees
Before the throne day after day
Where human eyes don't see

Personal Holiness

Search me, O God and know my heart today;
Try me, O Savior know my thoughts, I pray;
See if there be some wicked way in me;
Cleanse me from every sin and set me free.

I praise Thee, Lord, for cleansing me from sin;
Fulfill thy word and make me pure within;
Fill me with fire where once I burned with shame;
Grant my desire to magnify Thy name.

Lord, take my life, and make it wholly Thine;
Fill my poor heart with Thy great love divine
Take all my will, my passion, self and pride;
I now surrender, Lord, in me abide.

O Holy Ghost, revival comes from Thee;
Send a revival, start the work in me;
Thy word declares, Thou will supply our need;
For blessing now, O Lord, I humbly plead.

We are the Body of Christ

The Church's one foundation
Is Jesus Christ, her Lord
She is His new creation, by water and the word
From heaven He came and sought her, To be His holy bride
With His own blood He bought her
And for her life He died

Elect from every nation, yet one o'er all the earth
Her charter of salvation; one Lord, one faith, one birth
One holy name she blesses, partakes one holy food
And to one hope she presses, with every grace endued

'Mid toil and tribulation, and tumult of her war
She waits the consummation of peace forevermore
Till with the vision glorious, her longing eyes are blest
And the great church victorious,
Shall be the Church at rest

Yet she on earth has union with God, the Three in One
And mystic sweet communion with those whose rest is won
Oh happy ones and holy! Lord, give us grace that we
Like them, the meek and lowly
On high may dwell with Thee

Endurance

All the way my Savior leads me
What have I to ask beside
Can I doubt His faithful mercies
Who through life has been my guide
Heavenly peace, divinest comfort
Ere by faith in Him to dwell
For I know whatever fall me
Jesus doeth all things well

All the way my Savior leads me
And He cheers each winding path I tread
Gives me strength for every trial
And He feeds me with the living bread
And tho my weary steps may falter
And my soul a thirst may be
Gushing from a rock before me
Tho a Spirit joy I see

And all the way my Savior leads me
Oh the fullness of His love
Perfect rest in me is promised
In my Father's house above
When my spirit clothed immortal
Wings it's flight realms of the day
This my song through endless sages
Jesus lead me all the way

Finishing Well

Oh my dear Timothy, Hold onto the faith
Keep your conscience pure and holy, Fight the good fight everyday
Don't give in to myths and fables, But train yourself for Godliness
You've got to be an example in your youth
You've got to be faithful to the truth
You've got to watch your life and doctrine closely
It'll save you, and those who hear you too.

Guard the trust
Hold onto the faithful Word
This you must
Guard the trust
Through the Spirit who dwells in you
Guard the trust

Oh my son Timothy, I charge you in the sight of God
Preach the word when it's convenient, Preach the word when it's not
For there'll come a time when truth is compromised
There will be teaching for itching ears
But you- be sober in all things
But you- endure hardship for the King
But do the work of an evangelist, This is my dying wish
I have fought the fight; I have finished the race
I've been faithful to Him; For I have kept the faith
Now there's laid up for me a crown of righteousness
And there waits one for all
Who love the coming of Jesus

Position in Christ

'Tis so sweet to trust in Jesus
Just to take Him at His word
Just to rest upon His promise
Just to know, "Thus saith the Lord"

How I love to trust in Jesus
Just to trust His cleansing blood
Just in simple faith to plunge me
'Neath the healing, cleansing flood

Yes, I've learned to trust in Jesus
And from sin and self to cease
Now from Jesus simply taking
Life and rest and joy and peace

I'm so glad I've learned to trust Him
Precious Jesus, Savior, Friend
And I know that He is with me
He'll be with me to the end.

Spiritual Warfare

This is no time for fear
This is a time for faith and determination
Don't lose the vision here
Carried away by the motion
Hold onto all that you hide in your heart
There is one thing that has always been true
It holds the world together

God is in control
We believe that His children will not be forsaken
God is in control
We will choose to remember and never be shaken
There is no power above or beside Him
We know, ohhhh, God is in control

History marches on
There is a bottom line drawn across the ages
Culture can make its plan
Oh but the line never changes
No matter how the deception may fly
There is one thing that has always been true
It will be true forever

Attributes of God

Immortal, invisible, God only wise

In light inaccessible hid from our eyes

Most blessed, most glorious

The Ancient of Days

Almighty, victorious, Thy great name we praise

Unresting, unhasting, and silent as light

Nor wanting, nor wasting, Thou rulest in might

Thy justice like mountains high soaring above

Thy clouds, which are fountains of goodness and love

To all, life Thou givest

To both great and small

In all life Thou livest, the true life of all

We blossom and flourish as leaves on a tree

And wither and perish but naught changeth Thee

Great Father of glory, Great Father of light

Thine angels adore Thee, all veiling their sight

All praise we would render, O help us to see

Thy only the splendor of light hidest Thee

God's Love and Grace(Day 1)

Paul has just finished explaining throughout the beginning chapters of Romans why God's wrath against mankind is justified. How we are all without excuse before Him and held accountable to His standard of righteousness.

Read Romans 3:21-30

*Explain what the word 'righteousness' means to you?

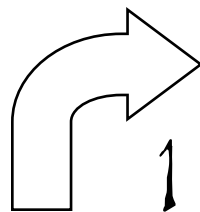

*From these verses, show:

(1) why we are all guilty

(2) what God has done

(3) Why He has done it

(4) what we have to do in response

God's Love and Grace(Day 1)

*What does it mean to you personally to be "justified by faith apart from observing the law"?

*Why do you think this is called the "Good News"?

*What do you sense God is trying to communicate to you today?

*Justification: a divine act where our Holy God judicially declares a believing sinner to be righteous and acceptable before Him because Christ has borne the sinner's sin on the cross.
Redemption: the special intervention of God for the salvation of mankind, centers in the atoning work of Christ as the price paid.*

Atonement: the covering over of sin, the reconciliation between God and man, accomplished by the Lord Jesus

Memorize
3:21-24 :))

2

God's Love and Grace(Day 2)

Read Romans 5:1-11

*What do you think it means to be an "enemy" of God?

*Can you remember a time when you would describe yourself as an "enemy" of God?

*Define what it means to be "powerless"?

*What does it mean to you to have "peace with God"?

*According to vs. 3-5, what do we "know"?

(why is it important that we know these things and don't just think them to be true?)

Perseverance: to remain under the stress until God is done

*What do you sense God is trying to communicate to you today?

Memorize 5:8

Spend some time praying about the summer and asking for character to be developed in you.

3

God's Love and Grace(Day 3)

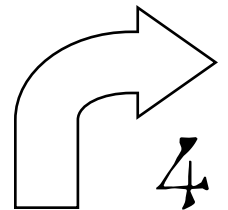

Read Luke Chapter 15

*Explain each parable in your own words:
Lost Sheep

Lost Coin

Lost Son

Parable: "to cast alongside", taking spiritual truth and casting it alongside

God's Love and Grace(Day 3)

*Explain who you think the main characters in each parable represents:

Lost Sheep

Lost Coin

Lost Son

*Which parable strikes you the most today and why?

Spend some time praying about the lost you will serve this summer....

What do you think God wants you to do in response to today's study?

5

God's Love and Grace(Day 4)

Read Galatians 3:26- 4:7 and Romans 8:14-17

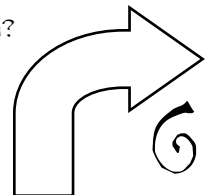

Often, when we come to thinking of 'our Heavenly Father' we carry much into that from our relationship with our earthly fathers. For some of us, it is a hard comparison and thinking of God as our 'father' is not favorable. Ask the Lord to show you specifically what it means to be His son/daughter.

*From both of these passages, list what we've been given as sons/daughters:

*Reflect on this quote from Rich Mullins:

"Beaker and I started talking about the whole mystery of the Incarnation....what it all comes down to is, what would it be like to be God Almighty, and to inspire those prophets to write all those great books, and Moses to write those books- and then to have become a little boy and endure Hebrew school, and listen to some Rabbi rattle on about something you wrote before he was ever born?

What would it be like to be Christ?

God's Love and Grace(Day 4)

"I mean, did He ever play ball? Did He ever knock a window out of somebody's house and did He ever have to explain to His dad that He had to borrow 12 dollars? So, we just started talking about what a weird thing it would be to be God and then to become flesh and then we also went on and just talked about what a weird thing to be nothing and then we got here. And wasn't it great and aren't you glad that you were born?"

Write out a letter from you to your Father for the privilege of being His own:

*What do you sense God is trying to communicate to you today?

7

God's Love and Grace(Day 5)

Read Ephesians 1: 3- 14

*From this passage, list what we've been given in Christ: (what He's done for us)

Positional Truths: things made true of us because of our redeemed relationship. They are constant, never changing, given to us through Christ.

*What thoughts come to your mind as you think of God specifically and with great pleasure choosing you to be holy and blameless?

*What is your most prized possession?

*How would seeing yourself as God's prized possession (vs. 14) impact your choices in : school, job, dating, marriage, etc....

*What do you sense God is trying to communicate to you today?

8

God's Love and Grace(Day 6)

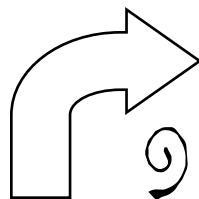

Read Ephesians 2:1-10

*Explain in your own words our condition without Christ:

*When it says, "we were by nature objects of wrath", what does that mean?

*Is it hard for you to think about God's wrath? Why or why not?

*Define faith in your own words:

God's Love and Grace(Day 6)

According to these verses, why does God save us?

For what purpose?

Grace: grace is what God is free to do, and does, for the lost after Christ has died on behalf of them.
Mercy: the compassion of God which moved Him to provide a savior for the unsaved.
**Divine love is the motivator behind all that God does to save us. But since God is holy and just, and sin is a complete offense to Him, His love or mercy cannot operate in grace until there was provided a sufficient sacrifice for sin.

*What do you sense God is trying to communicate to you today?

Spend some time praying about the good work that He has brought you here for.

Memorize 2:8,9

The Attributes of God (Day 1)

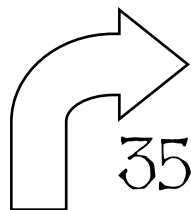

An "attribute" is something that is true of God. God's revelation of His character (His attributes) through creation, the Scriptures, and His Son, Jesus Christ, is His reply to our question, "What are you like?" ... the danger in discussing the attributes of God is that we might begin to view the inexhaustible person of God as a mere list of characteristics.....the characteristics give us clues to what He is like.

SOVEREIGN: the supreme rulership of God. He does whatever pleases Him and determines whether we can do what we have planned. No creature, person or empire can either thwart His will or act outside the bounds of His will.

LOVE: God is love; it is an exercise of His goodness towards individual sinners whereby, since He identifies with our state, He sends His Son to be our Savior and to bring us to know and love Him in relationship.

WISDOM/OMNISCIENCE: the divine attribute of perfect knowledge including all things that are possible and all things that actually are.
